

Spotlight Festival

Workshop Presenter Application

DEADLINE FOR APPLICATION SUBMISSION: *March 31, 2017*

Workshops should focus on sharing projects, initiatives and campaigns that the presenters have implemented with their chapters/youth councils or coalition partners. Workshop audiences should come away with a clear understanding of why the project was chosen, the processes used to implement it, and how it could be replicated in their communities.

We encourage youth and adult partnerships in the design, preparation and delivery of the presentation. Handouts should be oriented to participant replication of this process. Workshops are scheduled to be one hour and fifteen minutes long, and may be repeated.

The Spotlight Festival planning committee will select workshops based on the following criteria:

- Application contains strong content and a thorough presentation agenda;
- Agenda reflects interactive and youth-led content and style;
- Workshop supports the Friday Night Live Standards of Practice

If your team is selected, you will be expected to agree and adhere to the training requirements and timeline/dates. As a presenter, you are still a Festival participant. As such, you are expected to fully participate in all planned conference activities.
